Publications of the World Health Organization enjoy copyright protection in accordance with the provisions of Protocol 2 of the Universal Copyright Convention. Nevertheless governmental agencies or learned and professional societies may reproduce data or excerpts or illustrations from them without requesting an authorization from the World Health Organization.

For rights of reproduction or translation of WHO publications *in toto*, application should be made to the Division of Editorial and Reference Services, World Health Organization, Geneva, Switzerland. The World Health Organization welcomes such applications.

The designations employed and the presentation of the material in this publication do not imply the expression of any opinion whatsoever on the part of the Director-General of the World Health Organization concerning the legal status of any country or territory or of its authorities, or concerning the delimitation of its frontiers.

Les publications de l'Organisation mondiale de la Santé bénéficient de la protection prévue par les dispositions du Protocole n° 2 de la Convention universelle pour la Protection du Droit d'Auteur. Les institutions gouvernementales et les sociétés savantes ou professionnelles peuvent, toutefois, reproduire des données, des extraits ou des illustrations provenant de ces publications, sans en demander l'autorisation à l'Organisation mondiale de la Santé.

Pour toute reproduction ou traduction intégrale, une autorisation doit être demandée à la Division des Services d'Édition et de Documentation, Organisation mondiale de la Santé, Genève, Suisse. L'Organisation mondiale de la Santé sera toujours très heureuse de recevoir des demandes à cet effet.

Les désignations utilisées dans cette publication et la présentation des données qui y figurent n'impliquent de la part du Directeur général de l'Organisation mondiale de la Santé aucune prise de position quant au statut juridique de tel ou tel pays ou territoire, ou de ses autorités, ni quant au tracé de ses frontières.
